ABOUT

Elizabeth is a makeup artist based in London, and available for work internationally. Elizabeth is known for her clean and creative beauty looks, often taking inspiration from past and present pop culture to tell a story through her work. It has been commented that her work bridges a gap between the high fashion, and commercial worlds. This, combined with her creative eye, and attention to detail have gained her a loyal client base. Elizabeth would describe her signature makeup style as cool girl glam.
